

Emergency Action Plan for the Hempfield Nightmare Rugby Football Club + Roses Athletic Club

Event: Frost Bite Pre-Season Rugby Tournament

Location: Hempfield High School 200 Church Street, Landisville, Pa. 17538

Event Coordinators:

Tom Hallowell (717.434.8383)

Medical Personnel Available :

TBD closer to tournament date

Note: Plan to have 6 trainers on hand at all time

Susquehanna Valley EMS ambulance service will be on call - call 911 in event of an emergency

In the event of a medical emergency, the following procedures will be followed:

1. Identified medically trained personnel will assess the injury/condition and will make the call to 911. EMS will be instructed to report to field address noted above.
2. The onsite medical personnel will provide emergency care and comfort to the player until EMS arrives. The designated medical personnel will then provide pertinent info to EMS (such as cause of injury, vital signs, treatment rendered and medical history) and assist with medical care as needed.
3. The event coordinators or the player's coach will notify the player's parents.
4. The player's coach or other identified responsible adult will accompany the player to the hospital.
5. The event coordinators will complete the appropriate injury reports.
6. The players coach will call the player the following day to ascertain the outcome and to check on the player.
