March 31st vs Fairport: Hempfield Knightmare Girls 24 - Fairport 0 Scoring for Hempfield: Chelsey Johnson 5, Paige Murray 5, Morgan McComsey 5, Kate Wolgemuth 5

3/25 vs Upper Dauphin - The Hempfield Knightmare girls rugby team defeated the Upper Dauphin Barbarians 49-0, on Sunday March 25th at Upper Dauphin's home pitch in Halifax PA. Scoring for the Knightmares were Chelsea Gingrich 3 tries for 15 points, Sara Glick 2 tries for 10 points, Kate Wolgemuth 1 try for 5 points, and Cassie Kasun 1 try for 5 points. Payce Madden contributed 14 points on 2 penalties and 4 conversions.

Boys Results:

On 4/22, the Knightmares traveled to Upper Daulphin in an attempt to improve their league record to 2-3 and increasing the chances of fullfilling their goal of finishing .500 on the season. The Knightmares proved themselves to be well prepared for this match. Keying on UD's flyhalf and inside-center who have a reputation for hard running - were shut down by the Knightmare's aggressive defense. All tackles were made at the gain line or in UDs backfield.

The Knightmares scored 1st w/ a penalty kick made by Nick " I cant miss a conversion because I am that good" Raymond from 22 meters out. Score was 3-0. UD took advantage of the several offsides penalities the Knightmares

were committing (due to the aggressiveness of the defense they were playing) and managed rumble in from 5 meters making the score 5-3.

The Knightmares regained possession and w/ steady composure and hard nose play marched the ball down to inside UDs 22.This is where approx 40mins out of the 60mins of the match was played. The Knightmares 2nd score came off a quick tap pently taken by Taylor " I am determined not to knock the ball" Geenwalt who rummbled and stumbled into the try zone. Taylor had a great match in which he finally DIDN"T knock the ball on - 'bout time!!

The Knightmares came out the 2nd and continued where they left off - tackling hard and maintaining possession. Our own resident Hippie - Colin Rupp - got the ball rolling - taking the ball strong side - faking a kick (he got 3 UD defenders in the air) and running into the open space 20 meters. This fantastic fake/run staged our 2nd try, which came off a line-out in which Alex "Shmuckertash" Schmucker took the tap weak side, down the side-line dragging 3 UD defenders into the try zone - unfortunately this hard effort would be called back by the line-judge (Big Mike) - in a controversial "Hey ref -I think he went out???" call.

Despite this set back - the boys maintained there composure and captured their 2nd victory of the season 8-5. As they say - the score doesn't tell the whole story - the Knightmare's dominated this match and are proving not only to others, but most importantly to themselves that they are a rugby team to be respected. Well done boys!!!!

B - side

The Knightmares agreed to play 7s due to the lack of numbers on both sides - the final score was 48-5 Knightmares. Scoring for the Knightmares were:
Sam "Only in my dreams" Gibson - 10 - (2tries)
Matt "Shins" Modderman - 2/5 on conversions
Aaron "Bones" Burkhart - 15 (3 tries)- 1 w/ a pretty sumer-salt into the try zone
Brian "I can run all day" Fritz - 5 - (1 try)
Conor "the windmill" Daniels - 2/2 conversions and 5 (1 try)
Dan "Hands of Stone" Nguyen - 5 - (1 try)
Colin "The Hippie" Rupp -5 - (try) 1/1 on conversions

All and All it was a great day!!

Please come out to Silver Springs on Friday 4/27 and support our boys as they take on CV in their last match of the season and attempt to finish the yr @ .500

On Friday the 13th, The Knightmare's squared off against there cross-town rivals, Warwick's Swarm. Both teams entered the match w/ a winless record which only added to the pressure of the battle.

Both teams were well prepared and came out hard not giving an inch. The Swarm found success early hold the Knightmare's deep in their own end - pushing them off the ball. However, the Knightmare's maintained their composure and worked the ball down the back line - allowing Ian Dilley to break for several large gains in which he would eventually find the try zone at the end of his last 20 meter scramble. Nick "I cant miss a conversion because I am that good" Raymond missed the conversion having to attempt a kick into a very tough wind - making the score 5-0. The Knightmare's would never lose the lead.

The Swarm did not give up w/out a fight, they managed to punch in 2 tries and missed both conversions. Joey "Chunk" Jacob's came on strong and "Truffle Shuffled" into the try zone 3 times - leaving his mark on the team he started his rugby career w/. Nick "I cant miss a conversion because I am that good" Raymond converted 2 of 4 on the

day despite the windy conditions and difficult angles. At the end of the day the score was 24-10 - Knightmares.

This match was enjoyable - it was played and coached by people who love the game and the tradition - and it was just a classy evening for Lancaster Rugby. Well Done Everyone!!

Hempfield will go on the road 4/22 to take on Upper Daulphin.

HRFC v SC 3/29: A Side - Our boys traveled 2 1/2 hrs to SC on Thurs 3/29. The boys knew that they had much to prove after their poor performance against WS on 3/24. The boys improved their tackling and overall team play, but were unable to find an answer for SC's fly half - who was able to exploit the backline w/ dummy passes and "looping" plays. The boys did a great job implementing one of their new offensive strikes - "The Juggernaut".

In the end the boys lost 27 - 5. falling to 0-2 on the season. Scoring for the Knightmares was Tony "The Dentist" Ilaria. We would also like to extend our congrats to Tony, who shared w/ his coaches, teammates and fans on his future endeavors - he made it known that he will be pursuing a career in - Dentistry - that's right folks, our own Tony Ilaria wants to be a dentist - when asked why - he just smiled.

B Side - Our Killer B's once again dominated the pitch winning their 2nd match of the season - 5-0. Scoring for the B's was Colin Ruppert.

HRFC v Carlisle 4/1: A Side - On Sunday 4/1, our boys traveled to Carlisle in search of their 1st win of the season which Carlisle would adamantly deny them. Carlisle was coming off a sobering loss last yr dealt to them by the hands of Hempfield. Last yr, the Knightmares embarrassed Carlisle's forwards winning every set piece and ruck. Carlisle knew they had to make some adjustments to counter our boys hard rucking that they fell victim to last yr. That being said Carlisle committed 8-10 players every ruck and because we were slow getting ball out - were able to push us off the ball, getting turnover after turnover. Carlisle also played outstanding defense the entire match, holding our boys to only 1 try scored by Taylor Greenwalt - despite the fact that the Knightmares spent the better part of 55 mins attacking Carlisle's goal line - they were unable to punch it in.This in combination w/ numerous knocks and a variety of other penalties - thwarted every opportunity the Knightmare's had afforded to them. Final score Carlisle 10 - HRFC - 5. The Knightmare's also lost their valuable Fullback - Travis Reardon for the rest of the season - when he sprained/fractured his ankle in the closing seconds of the match while making yet another great open field tackle. Thanks Travis for your hard play, sorry to lose you for the season.

Our next match is against Warwick @ home - Silver Spring Park 4/13 @ 530pm. The coaches will be changing things up - we will not look the same when we hit the pitch on 4/13 - changes TBA. Come out and support our boys in their quest for their 1st win of the season - in what should be a great cross town match.

B Side - Our Killer B's are now 3-0!!!!! They executed our game plan and redeemed our poor A Side showing. The boys have paid attention to details, have been able to capitalize on mistakes, take advantage of their strengths and maintain their composure. This equals wins folks. They won 10-7, scoring for the B's were Tony "The Dentist" Ilaria and Ian Dilley. Nick missed both conversions from very difficult angles. Look for some of these B side standouts starting in our next match.

A side - On Saturday 3/24, the Knightmares were invited (and accepted) to play their 1st match of the season, against West Shore, during a tournament hosted by F&M women. Despite, the weather and damp conditions both sides came out ready to play. The first 13 minutes of play was a test to both sides' defense. The Knightmares stonewalled WS's 1st attempts of scoring by playing some hard-nosed goal line defense. WS then returned the favor and defended their try zone successfully, when the Knightmares marched w/in 5 meters of it. The Knightmares

threatened to be the first to put some points on the board w/ a penalty kick. Chris Boyd missed the mark, hitting the post.

After clearly being frustrated by the Knightmares offensive strike, WS raised their level of play and paved the way for what would develop into a “Knightmare” of an afternoon for our boys. In the next 22 minutes WS’s aggressive offense went unchallenged, allowing them to post 24 points on Hempfield’s - now suspect- defense. At half-time - the score was 24 - 0.

The Knightmares came out the 2nd half and managed to hold WS to only 1 try. The boys played better in the 2nd half - but found themselves tackling high, and out of position most of the 2nd half and were not able to capitalize on the few opportunities afforded to them by WS. At the end of the day the score was WS 31 - Knightmares O.

The coaches of this team know that this match - 1 match - does not define our boys. Our boys are far more capable of playing good sound rugby than what they exhibited on Saturday. However, this is a defining moment for our boys - the question is - Will they rise to the occasion and debunk the claims questioning their ability to be competitive at this level of play? We will find out on:

Thurs. - @ State College - bus leaves @ 4pm - KO @ 7pm
Sun 4/1 - @ Carlisle - bus leaves @ 11am - KO @ 2pm
Friday 4/14 - @ home v. Warwick - KO @ 6pm (venue TBA stadium or springs)

B side - This match was about redemption for our boys. Our B side was made up of mostly “Iron Men” those players that had to play both A nd B side because of our poor numbers. Thanks boys. The Bee’s came out ready to play and took it to WS’s B side. Winning 28-12. Well Done!
